

Sherburne Soil & Water Conservation District 2010 Native Plant Sale

This year the SWCD is continuing the great partnership with Dragonfly Gardens that has been providing Sherburne County Residents with a quality selection of native plant collections! Each flat will include 8 packs of plants from the species listed for each collection. The experienced staff at Dragonfly will select the healthiest, best looking plants from the lists shown below to fill each collection.

<p>Rain Garden Collection will include 4 species from each of the two lists below.</p> <p>The wet species of wildflowers and grasses are for the lower portions of the rain garden that will stay wet for the longest period of time. The mesic species should be planted in the upper portions of the rain garden which are saturated or inundated for a shorter period of time.</p> <p>Height: 12-48" 8 packs - 50-60 plants \$43.00</p> <p>Wet Species: New England Aster, Swamp Milkweed, Spotted Joe-pye weed, Boneset, Cardinal Flower, Blue Lobelia, Monkey Flower, Thick Spiked Blazing Star, Ironweed, Bottlebrush Sedge, Awl-fruited Sedge, Fox Sedge, Soft Rush, Path Rush, Wool Grass</p> <p>Mesic Species: Anise Hyssop, Smooth Aster, Purple Prairie Clover, False Sunflower, Bergamot, Yellow Coneflower, Black-eyed Susan, Culver's Root, Little Bluestem, Big Bluestem, Side-oats, Indian Grass, Switch Grass</p>	<p>Butterfly Garden/Dry Wildflower Collection will include eight species from the list below.</p> <p>Attract an assortment of butterflies with this fine assortment of native plants which provide a combination of nectar sources and caterpillar host plants.</p> <p>Habitat: Dry Prairie/Forest Edge Full-Part Sun Height: 18-36" 8 packs - 48 plants \$43.00</p> <p>Pearly Everlasting, Butterfly Weed, Smooth Aster, New England Aster, Stiff Coreopsis, Rattlesnake Master, False Sunflower, Rough Blazing Star, Yellow Coneflower, Pale Purple Coneflower, Purple Coneflower, Black-eyed Susan, Stiff Goldenrod, Hoary Vervain, Golden Alexander, Bergamot</p>
<p>Complete Prairie Collection will include four packs of wildflowers and four packs of grasses selected from the list below.</p> <p>An entire prairie in a single flat. Includes the best prairie grasses and wildflowers combined! 50-60 plants per flat will cover up to 120 ft². Free yourself from the oppression of mowing, one flat at a time!</p> <p>Habitat: Dry/Mesic Prairie Full-Part Sun Height: 24-60" 8 packs - 50-60 plants \$43.00</p> <p>Anise Hyssop, Smooth Aster, Sky Blue Aster, Purple Prairie Clover, False Sunflower, Bergamot, Yellow Coneflower, Black-eyed Susan, Prairie Spiderwort, Culver's Root, Little Bluestem, Big Bluestem, Side-oats Grama, Indian Grass</p>	

Moist/Mesic Wildflower Collection will include eight species from the list below.

A great mix for moist to wet lake margins and other wet areas suited to a variety of light levels. Stop mowing and start growing this stately mix which will add beauty and stabilize your shoreline at the same time!

Habitat: Mesic-Wet Prairie/Marsh

Full Sun-Part Shade

Height: 24-48"

8 packs ~ 48 plants \$43.00

Swamp Milkweed, New England Aster, Swamp Aster, Flat-topped Aster, Turtlehead, Spotted Joe-pye Weed, Boneset, Sneezeweed, Thick Spike Blazing Star, Cardinal Flower, Blue Lobelia, Monkey Flower, Mountain Mint, Purple Meadow Rue, Blue Vervain, Ironweed

NEW

Fern Collection

Ferns lighten the darkness of shade gardens and woodlands and project a lushness. Mixing a variety of ferns in the same area gives a wonderful variety of textures and shades of green. These species are all found naturally in Sherburne County.

Habitat: Moist Woodland

Part Shade-Full Shade

Height: Varies depending on species between 12" - 48"

8 plants in 6" pots \$43.00

Includes 2 of each of the following species: Lady Fern, Ostrich Fern, Royal Fern, Sensitive Fern

Complete Wetland Collection will include eight species selected from the list below.

Add some beautiful graminoids (grass-like plants) to some of our most beautiful wildflowers and you've got the ticket to stable, beautiful shorelands or wet areas that you need no longer mow.

Habitat: Wet Prairie/Marsh/Lake Edge

Full Sun-Part Shade

Height: 24-48"

8 packs ~ 48 plants \$43.00

New England Aster, Swamp Aster, Spotted Joe-pye Weed, Cardinal Flower, Blue Lobelia, Monkey Flower, Blue Vervain, Ironweed, Bottlebrush Sedge, Caterpillar Sedge, Fox Sedge, Soft Rush, Wool Grass

Woodland Collection will include eight species from the list below.

An outstanding combination of woodland plugs including wildflowers and grasses. Only shade tolerant species will thrive in forested conditions. This is the collection to begin restoring and beautifying any degraded woodland understory. Species can grow in part sun to full shade.

Height: 6-36" 8 packs – 40-48 plants \$43.00

Wild Columbine, Pearly Everlasting, Canada Anemone, Big Leaf Aster, Harebell, White Snakeroot, Woodland Strawberry, Jacob's Ladder, Zig-Zag Goldenrod, Pennsylvania Sedge, Long-beaked Sedge, Bottlebrush Grass, Alumroot

Woodland Extras Add even more diversity to your woodland planting with any of these other great species. They are available in 3.5" pots so can not be included in the collection. You may add any of these to your woodland order at the prices listed below. Please indicate the number of each you would like in the spaces below, and write the total in the bottom of the order form. *Species availability subject to change, call Gina with questions @ 763-241-1170 ext. 3*

___ Lowbush Blueberry \$3.99 ___ Wild Geranium \$3.99 ___ Partridge Berry \$3.99
 ___ Early Meadow Rue \$3.99 ___ Woodland Phlox \$3.99 ___ Wild Ginger \$3.99
