## Grant Activities

### Activity Name: Administration

**Activity Category:** Administration/Coordination

**Staff time?:** No

**Description:** Funds will be used towards administering the Local Water Management plan as well as WPAC member per diem and meeting expenses.

The Water Management Plan (WMP) focuses on the quality and quantity of surface water and groundwater, and related uses that effect water resources.

The purpose of the Water Management Plan is:

- Identify existing and potential problems or opportunities for the protection, management, and development of water resources and related land resources in the county.
- Identify priority concerns to be addressed during the effective time frame of the plan.
- Develop and implement a plan of action to address priority concerns.

The Water Management Plan applies to the entire geographic area of Sherburne County including incorporated and unincorporated area.

The Sherburne County Water Plan Advisory Committee advises the County on the development, implementation and revision of the Sherburne County Comprehensive Water Management Plan (the Water Plan) pursuant to Minnesota Statutes Chapter 103B. The Committee is an advisory committee and has no taxing, hiring or contracting authority.
