

AgBMP Loan Program

Sherburne Soil And Water Conservation District

The AgBMP Loan Program provides low interest loans to farmers, rural landowners and agriculture supply businesses. The purpose is to encourage Best Management Practices that prevent or reduce water quality problems.

Eligible practices for this program are those of which the primary purpose is to prevent or reduce water pollution.

Maximum of \$100,000 in Low Interest Loans per project and per person.

There is a 10 year maximum term—financial lenders can decide on lesser terms.

Loans are for 3% interest (No Bank Fees).

The Low Interest Loan Program is only available to rural landowners (Sherburne SWCD will determine this).

SSTS septic systems are funded if the average daily capacity exceeds 5,000 gallons.

The Low Interest Loan Program can be coordinated with any other funding or cost share.
