Notice of Meetings by Telephone or Other Electronic Means

NOTICE IS HEREBY GIVEN that the Sherburne Soil and Water Conservation District Board of Supervisors will hold its regular meeting on April 9, 2020.

Pursuant to Minn. Stat. § 13D.021, the Chair of the Board of Supervisors has determined that an in person meeting is not practical or prudent because of the COVID-19 pandemic and due to the State of Emergency and Executive Orders issued by the Governor.

Because of the COVID-19 pandemic and the Executive Order requiring Minnesotans to stay at home and shelter in place, it has been determined that attendance at the regular meeting location by members of the public is not feasible.

Therefore, some or all of the members of the Board of Supervisors may be participating by telephone or other electronic means.

Members of the public may monitor the meeting by contacting Francine Larson, District Manager at 763-220-3434 ext. 101 to obtain log-in information to allow them to join the meeting electronically or by telephone. Any person monitoring the meeting remotely may be responsible for any documented costs for the additional connection.
